

REGION 2000, VIRGINIA

REQUEST FOR PROPOSALS ENGINEERING SERVICES DUE SEPTEMBER 27, 2016

ADDENDUM NO. 1

AUGUST 26, 2016

This document is Addendum No. 1 to the Town of Pamplin's Request for Proposals for General Engineering (On-Call) Services.

1. Section 3.2: Summary Pages

The three page maximum has been removed for technical discipline areas. Proposals will be considered at any number of pages.

2. Section 3.4: Technical Discipline Areas

Construction Management Services is the same as contract administration services. For this proposal, the terms are interchangeable.

3. General Engineering Services Discipline Areas

Structural Engineering is also included as a discipline area. Once the Town selects an engineering firm to work with, the Town may issue Task Orders for work outside of the utility area to incorporate structural engineering or other engineering areas as may be needed by the Town.

Written questions concerning this addendum should be sent to Gary Christie at:
gchristie@region2000.org or

Gary F. Christie
828 Main St., Fl. 12
Lynchburg, VA 24504

Answers to written questions will be placed online at
<http://www.localgovernmentcouncil.org/procurements> by close of business on September 13, 2016.
Respondents are responsible to check online for answers to written questions. The Town of Pamplin will not send out a separate communication with the answers.
