

Addendum No. 1: Dated February 12, 2015, to bidding documents for the Lynchburg Filtration Plant Tower, Region 2000 Local Government Council
Bid Number 31015-F

From: Region 2000 Local Government Council

To: All Bidding Document Holders of Record

Optional: Bidder is to provide a separately priced option to install an OSHA approved safety cage for the existing ladder rungs that vertically climb the penthouse wall. The rungs are attached directly to the penthouse wall and traverse approximately 16'. The actual ladder height will be provided after the February 19 pre-bid site inspection.

End of Addendum No. 1
